Title Index

A

- A Preliminary Randomized Controlled Trial of Multifaceted Educational Intervention for Mild Cognitive Impairment Among Elderly Malays in Kuala Lumpur 8:74
- Acute Type A Aortic Dissection Successfully Managed with One-stage Surgery of Total Aortic Arch Replacement with Supra-aortic Transposition Plus Frozen Elephant Trunk Technique 8:175
- Acute Upper Limb Ischemia with Wrist Drop in an Elderly Patient 8:233
- Adjustment to Aging in Late Adulthood: A Systematic Review 8:108
- Age May Not Influence the Outcome of Patients with Severe Sepsis in Intensive Care Units 8:22
- Alcohol and Medication Use Among Elderly Community-dwelling Brazilians 8:133
- An Elderly Parkinsonian Patient with Extreme Blood Pressure Fluctuations 8:168
- Application of Pole Walking to Day Service Centers for Use by Community-dwelling Frail Elderly People 8:6

B

- Beyond Neglect: Long-term Care Research in Low and Middle Income Countries 8:107
- Beyond Neglect: Long-term Care Research in Low and Middle Income Countries 8:66

C

- CALR Mutations in Myeloproliferative Neoplasms 8:105
- Calcium and Vitamin D Supplementation on Bone Health: Current Evidence and Recommendations 8:183
- Care Goal Setting and Associated Factors: Semistructured Interviews with Multidisciplinary Care Providers in Facilities for Elderly People 8:12
- Chronic Subdural Hematoma in Elderly Taiwan Patients: A Retrospective Analysis of 342 Surgical Cases 8:37
- Clinical Implications in the Incidence and Associated Risk Factors of Gallstone Disease Among Elderly Type 2 Diabetics in Kinmen, Taiwan 8:95
- Corrigendum to "Home Health Care Needs and Willingness to Pay for Home Health Care Among the Empty-nest Elderly in Shanghai, China" [International Journal of Gerontology 8 (2014) 31–36] 8:106

D

- Determinants of Sensorimotor Function and Blood Glucose Among Chinese People Aged 50–74 Years 8:90

E

- Editorial Comments on Review: Calcium and Vitamin D Supplementation on Bone Health: Current Evidence and Recommendation 8:181
- Effects of Antiplatelet Agents on Functional Outcome and Cognitive Status in Patients with Acute Ischemic Stroke 8:189
- Effects of Simple Balance Training on Balance Performance and Fear of Falling in Rural Older Adults 8:143
- Efficacy of Progressive Resistance Tube Training in Community Dwelling Older Adults: A Pilot Study 8:213

Elderly Patients with Laryngeal and Hypopharyngeal Cancer Undergoing Total Pharyngolaryngectomy with a Radial Forearm, Free Flap-reconstructed Phonation Tube	8:85
Emergency Room Investigations Require Further Auditing	8:179
Endovascular Ablation Therapies for Varicose Veins in Elderly Patients	8:219
F	
Fall Injuries and Related Factors of Elderly Patients at a Medical Center in Taiwan	8:203
Fournier's Gangrene: Clinical Characteristics in the Elderly	8:162
G	
Gout and Parkinson's Disease in Older People: An Observation in Taiwan	8:166
H	
Health Needs Assessment of Older People in an Agricultural Plantation	8:120
Home Health Care Needs and Willingness to Pay for Home Health Care Among the Empty-nest Elderly in Shanghai, China	8:31
I	
Improving Success Rates of Percutaneous Coronary Intervention for Chronic Total Occlusion at a Rural Hospital in East Taiwan	8:157
Influence of Building Materials with Directional Textures on the Visual Perceptions of Elderly with Alzheimer's Disease	8:147
Intravesical Explosion Resulting in Bladder Rupture During Transurethral Resection of Bladder Tumors	8:230
L	
Lesser Severity at Onset but Poorer Prognosis in Elderly Stroke Patients	8:236
M	
Managing Elders' Wandering Behavior Using Sensors-based Solutions: A Survey	8:49
Mediastinum and Chest Wall Abscesses: A Delayed Complication of Trauma	8:103
Metabolic Costs of Daily Activities in Community-Dwelling Older Adults	8:228
Mortality Factors in Major Trauma Patients: Nation-wide Population-based Research in Taiwan	8:18
N	
Normalization of Pulmonary Hypertension by the Use of Left Ventricular Assist Device in Patients with End-stage Heart Failure: A Possible Contribution to Donor Pool Expansion in Lung Transplantation	8:42
Nursing Inequalities in Elderly Suicides: An Empirical Study of Taiwan	8:27
P	
Postoperative Ileus in the Elderly	8:1
Predictors of Physical Inactivity in Elderly Patients with Chronic Obstructive Pulmonary Disease	8:193
Prevalence and Associated Factors of Frailty Among Elderly People in Taiwan	8:114
Prevalence of Metabolic Syndrome and Risk Factor Analysis Among Urban Elderly in One Medical Center in Northern Taiwan	8:127
Prevention of Asymptomatic Bacteriuria with Cranberries and Roselle Juice in Home-care Patients with Long-term Urinary Catheterization	8:152
Primary Cardiac Lymphoma Manifested as Exertional Dyspnea and Palpitation	8:232
Prognosis of Nasopharyngeal Carcinoma in the Elderly is Worse than in Younger Individuals—Experience of a Medical Institute	8:81

S

- Suspected Drug Reaction with Eosinophilia and Systemic Symptoms (DRESS) Secondary to Quetiapine in an Elderly Patient 8:45

T

- The Changes of Muscle Strength and Functional Activities During Aging in Male and Female Populations 8:197
- The Geriatric ED: Structure, Patient Care, and Considerations for the Emergency Department Geriatric Unit 8:56
- The Implementation of Sepsis Bundles on the Outcome of Patients with Severe Sepsis or Septic Shock in Intensive Care Units 8:60
- The Incidence and Risk Factors of Acute Asymptomatic Brain Infarcts After Percutaneous Coronary Intervention in Patients with Acute Myocardial Infarction 8:70
- Thrombocytopenia in Elderly Patients Who Received Intravenous Linezolid Therapy 8:46
- Transarterial Chemoembolization-induced Tumor Lysis Syndrome: Different Results in the Same Hepatocellular Carcinoma Patient 8:171
- Treatment Effects of Different Incident Dialysis Modalities on Pruritus in Elderly Uremic Patients 8:223
- Tumor Lysis Syndrome Occurring After Transarterial Embolization in a 70-year-old Man with a Hepatocellular Carcinoma Ruptured in a Motor Vehicle Accident 8:100

V

- Validated Chinese Translation of the Fresno Test for Evidence-based Health Care Training 8:209
- Validity of Standing Posture Eight-electrode Bioelectrical Impedance to Estimate Body Composition in Taiwanese Elderly 8:137
